

DERMEDICS™ YOUTH EXPERT™ Total Lifting Cream

YOUTH EXPERT™ Total Lifting Cream is designed for effective lifting and facial oval contouring – real results.

Technology Peptide Fusion™ – special composition of low molecular weight peptides provides visible lifting after just a few applications!

Sunglasses for the Skin™ – the cream contains innovative UV filters encapsulated into micro-pearls to provide protection for the skin and to prevent direct contact with the skin ensuring optimum comfort which allows for both day and night application.

Recommended for beauty salons as “finishing touch” post-lifting treatments.
